Review: Many young readers experience being the oldest of their siblings, or at least having siblings, that make the characters relatable and relevant to them. The theme in Summer of the Mariposas rings true to any sibling dynamic and reveals the power in unity among siblings. In many sibling dynamics, there is fighting with one another, fighting for attention...

Description: When Odilia and her four sisters find a dead body in the swimming hole, they embark on a heros journey to return the dead man to his family in Mexico. But returning home to Texas turns into an odyssey that would rival Homers original tale. With the supernatural aid of ghostly La Llorona via a magical earring, Odilia and her little sisters travel a...
